

Do you like singing? Then choir is for you!!!

Choir is so
much fun!!

It sure is Joy! At our concerts, not only do we get to sing, but also use props such as “flashlights,” “instruments,” and even “snowballs!”

Don't feel down Sadness! You don't ever have to sing alone. Plus, you'll be singing together with your friends and have lots of fun!

But I'm afraid to
sing and don't
think I can do it!

How many
choirs do we
have at MAS?

Great question Fear! We have two choirs to choose from. We have, 5th & 6th Grade Choir and Select Choir. 5th & 6th Grade Choir rehearses before school on Day 2, and Select Choir, our auditioned choir, rehearses on Tuesdays after school!

No worries Anger! There will be a Mini Patroller who will cover your duty during rehearsals.

But I'm a Safety
Patroller! How can
I do both?!

Oh wonderful! When and where will we perform?

Choir Members perform at the Winter and Spring Concerts at the high school. Choir Members may also perform the National Anthem at future sporting events! Sound good Bing Bong?

It's easy! Simply see Mr. E in the music room, and he'll contact your parents to sign up! Signups are due by Monday, September 18th. We hope you and others will join Disgust!

Well if choir is so "great" how do you sign up?
