

Gifted and Talented Identification Procedure:

May-September:

- Staff gathers student data.

October:

- Based on data collected, students identified for participation in enrichment services for the year.
- Parents notified.

October-June:

- Students receive in-class differentiated enrichment instruction and/or students receive pull-out enrichment instruction.
 - Note: Enrichment instruction does not replace standard instruction: enrichment instruction supports and is in addition to standard instruction.

Identification Criteria:

See [Policy 2464](#) and [Regulation 2464](#)

Please note:

Identification as a gifted learner does not transfer from district to district. Transfer students will be reassessed.

Please note:

All students are reassessed yearly to ensure that every student continues to get the appropriate instruction.
