Dear Sponsor, My School is raising money for classroom technology upgrades, a sensory hallway, and student activities! I will be walking/running laps around the neighborhood between October 3rd and October 21st. All money needs to be returned to school by November 4th. I think I will be able to do laps. Please consider sponsoring me either by lap or with a flat donation. Thank you for your contribution!! *Checks can be made out to HAS PTA*
