

Dear Haviland Avenue School Families and Friends,

The Haviland Avenue PTA is excited to announce our Third Annual Run-A-Thon Fundraiser! This fundraiser allows students to safely be active in the community while raising money to enhance students' education. Last year, Haviland students raised over \$3000 that was put towards our Blacktop Bash at the end of the school year. Like previous years, 100% of the proceeds will be going back into Haviland to be used on various activities/events for our students throughout the school year. Due to last year's success we will be having a school wide "Run Day" on the last day of the Run-A-Thon on Friday, 10/28 at Haviland!

Students will be provided a pledge sheet, where they can ask family, friends, or neighbors for pledges. Pledges can be made in a flat donation or per lap (i.e. \$1.00 for every lap completed). After students get their pledges, starting October 3rd thru October 21st, students will go out and walk/run/jog a "lap". We are providing an example "lap" on the east side of Audubon and the west side of Audubon to use as a reference. However students are FREE to run wherever and whatever type of lap they want. A couple examples are running around your block, a lap around the track, or a lap around Audubon Lake. The Run-A-Thon ends 10/21 and we are asking for students to collect and return all money raised to school by 11/4 in an envelope labeled ATTN: PTA.

To add some excitement to this fundraiser we will have prizes for each student who raises certain amounts of money; the top pledge earner, top teacher pledge earner, and the top class raising the most pledge earnings together! Please see the attached flyer for prize levels and prizes!

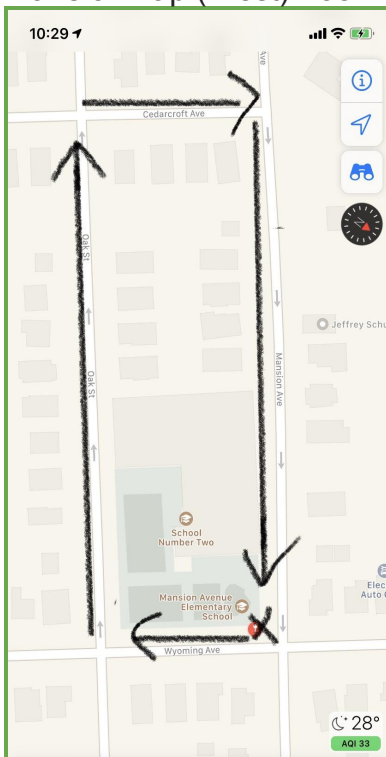

In closing, the PTA wants to thank all teachers and families for their continued support to the PTA. We are looking forward to a great event! Attached you will find the Pledge Sheet. Please remember to run with a buddy and most importantly HAVE FUN!

Sincerely,

Raye Martin, PTA President

EXAMPLE "LAP"

Mansion Lap (West)- .35 mile

Haviland Lap (East) .5 mile
