

Haviland PTA 2022-2023 Service Project

Pulling for Families

Join in on the fun by collecting soda/can tabs today!

The tab of a soda can is made of high quality, high grade aluminum. The tabs are recycled at a local facility and 100% of the total value of aluminum is donated to the Ronald McDonald House of Southern New Jersey. The Pop Tab program provides revenue that can assist the donations that families cannot make. It costs \$100 per night to house one family at RMHSNJ. That is a total of \$2,500 a night when our 25 bedroom House is full. We ask for a \$15 per night room contribution from our families, but no family is turned away based on the inability to pay.

- It takes approximately 1,100 pop tabs to equal one pound. We typically receive between \$0.40 to \$0.50 per pound. This program brings in an average of \$3,000 each year.

****The class with the highest total weight at the end of each month will receive a prize. Each class will have a container in their classroom to drop off tabs****
